Appointments and Cancellations

When we make your appointment, we are reserving a room for your particular needs. We ask that if you must change an appointment, please give us at least 48 hours notice. This courtesy makes it possible to give your reserved room to another patient who would like it.

We feel that our patient's time is valuable. When your appointment is made, a room is reserved, your records are prepared and special instruments are readied for your visit. Except for emergency treatment for another patient, you can expect us to be prompt. We, of course would appreciate the same courtesy from you.

There is a charge for not showing up for scheduled appointments. Repeated cancellations or missed appointments will result in loss of future appointment privileges.

Charges depend on the length of your appointment.
